This group will be responsible for keeping the Comprehensive Plan project moving forward by attending meetings, organizing volunteers, determining the layout of the plan, and more. Please reply to this email or contact Town Hall if you are interested in serving!

The Comprehensive Plan grant allows for your volunteer time to count towards the Town's matching funds. You can submit your volunteer time for taking and submitting photos, reviewing the current Comprehensive Plan, submitting comments regarding the plan, talking to neighbors about the plan, or anything else relating to the future of Magnolia Springs!
